

## DIFFERENCES GEN 1 & GEN 2

### STORAGE

Gen 1: Access to inside of the storage benches by lifting the lid under the mattresses

Gen 2: Easier access to storage from the top as well as from the fronts (and from the back behind the drivers seat)

### MATTRESSES

Gen 1: More mattress pillows to handle, two spare pillows that don't have a space when you are using the Van with the benches set up

Gen 2: Less pillows - every pillow has its space

### FRIDGE

Gen 1: Electric cooling box

Gen 2: Waeco fridge (7 level temperatur regulation)

### TAP

Gen 1: Hand pump

Gen 2: Electric (operated by switch)

### SHOWER

Gen 1: Portable foot pump pressure shower

Gen 2: Electric shower connected to fresh water tank
